

HOW TO CREATE AN ACCOUNT/ADD A BUSINESS LISTING

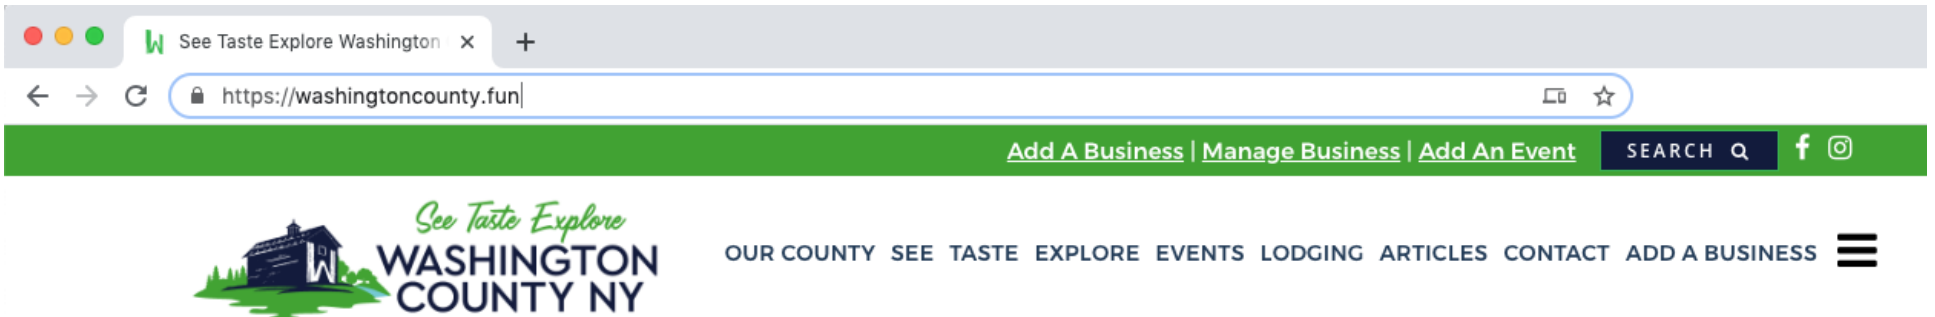

STEP 1:

Type in washingtoncounty.fun to access the Washington County website.

STEP 2:

Click on "Add a Business" at the very top of the page in the green bar. This will bring you to the following page: washingtoncounty.fun/directory-listing-submission/

STEP 3:

On this page you will be prompted to either register your account, or log in to access an existing account. If you have not created an account before, fill out the form on this page.

The following fields are required:

- Name
- Email
- Listing Title (Business Name)
- Description
- Categories
- Phone
- Website
- Email
- Country/State/Address/Zipcode

STEP 3:

The following options, while not required we highly suggest filling if you are able to:

- Listing tags - These are used to further categorize your business listing
- Featured image - This will be shown on your listing and individual business page
- Videos - If you have a marketing video this will be shown to website users who arrive on your business listing
- Add address - This is to add additional addresses for your business
- Generate on the map button - To manually place a pin on your location if the address you type in is not accurate.
